- Confined Space Rescue
- Rope Rescue
- Trench Rescue
- Hazardous Materials Skills
- Fire Fighter I and II Skills
- Professional Development
- Train-the-Trainer

Props:

- Burn Props (Burn Building, truck, etc.)
- SCBA Search and Rescue Building
- Training Tower
- HAZMAT Pad
- Public Works Confined Space Prop

HAMMER is the Hanford Fire Department's training center. HAMMER offers a wide range of hands-on fire training including technical rescue and hazardous materials, emergency medical, and weapons of mass destruction response.

HAMMER's 88-acre training campus also offers fire training for other federal, state, tribal, and local agencies, as well as private industry. HAMMER provides the flexibility for customers to bring their own trainers or make use of the highly qualified training professionals available through HAMMER.
