Federal Training Center

*—Training as Real as it Gets!—*

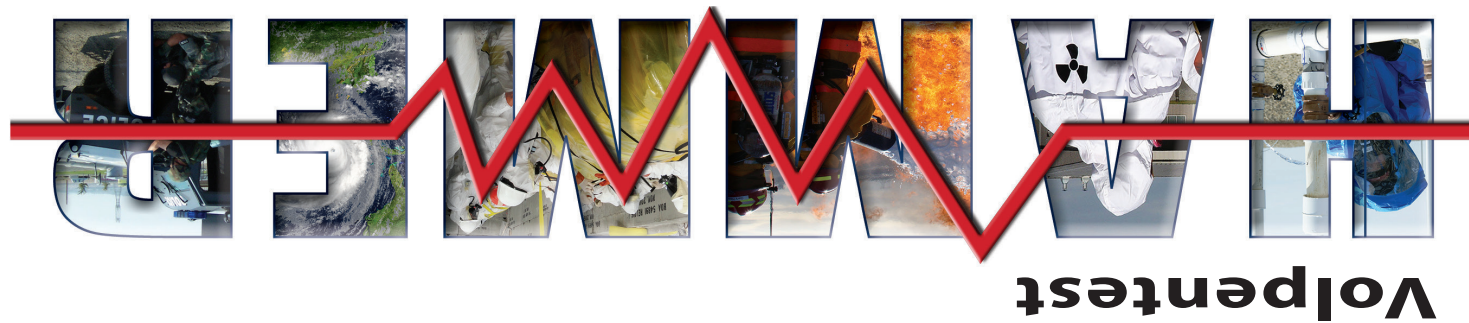

Sam Volpentest  
(1904-2005)

In 1997, the Volpentest HAMMER Federal Training Center was dedicated to Sam Volpentest for his lifetime commitment to worker health and safety, prosperity of the surrounding communities, and tireless efforts to make HAMMER a reality. Sam Volpentest was the Executive Vice President of the Tri-City Industrial Development Council.

**Federal Training Center**

The Volpentest **HA**zardous **M**aterials **M**anagement and **E**mergency Response (HAMMER) Federal Training Center is the U.S. Department of Energy’s premier hands-on health, safety, and emergency response training organization.

## OUR VISION

HAMMER delivers the best training for today’s workforce to meet tomorrow’s complex, high-risk challenges.

## OUR MISSION

The HAMMER team provides innovative, hands-on training and expertise utilizing a one-of-a-kind facility to create a safe and highly-skilled workforce.

## HAMMER COVENANTS

HAMMER’s Core Covenants are Pride, Family, Innovation, and Teamwork.

**“HAMMER HAS A MISSION, BUT TO EVERYONE WHO EXECUTES THAT MISSION, IT’S A CALLING.”**
